Young Professors Preschool & Early Learning Center’s Summer program starts on the Monday the 2nd of June and ends Friday August 8th, 2014. This is an 11 week program. The weekly tuition for this is \$100.00 per week, this covers all expenses for our program. (field trips etc.) We are asking not to send extra money with your child on any of the field trips, for we will not be held responsible for any money that is lost or stolen. Because we only have so many spots available by signing up for our summer program you understand that it is an 11 week commitment. Whether our child is here or not, the tuition is still due for each week. In order to reserve your child a spot in our summer program you will need to pay a \$25.00 deposit (check, money order, debit cards, only) that will be credited towards your child’s first week. We are asking that all deposits be made by May the 15th to ensure your reservation. All deposits must accompany the registration form. Below we have provided a list of some of the field trips that we will be taking:

Sealife, Wonderscope, Nelson Art Gallery, Gorman Conservation Discovery Center, Sports Lab, Shatto milk farm, Kansas City Community Gardens, Powell Gardens Belton movie theater, water park, Burr Oaks Woods Nature Center, Science City, and Aarons family fun center.

After you have paid your deposit, you be signing permission slips for the field trips. If there are any field trips that you would like to volunteer for please let us know at that time. Please contact Minister Al Smith administrator.
